25X1 7. [ ] Met briefly with Mr. Samuel Archibald, Staff Director, Foreign Operations and Government Information Subcommittee staff. Mr. Archibald renewed his request for such biographical material as we might be able to make available for committee use. He indicated that although there was no time pressure on it, it would be most appreciated. I advised him that we would provide the committee with a blind memorandum during the coming week.

25X1 8. [ ] Met with Colonel Harold A. Gould, Technical Adviser, House Science and Astronautics Committee. Colonel Gould arranged through a NASA representative to have a view graph available on the 10th. I advised that, as Colonel Gould had suggested, that since a rather insignificant portion of the material available for the briefing is in the TS area, that our remarks would be held to the Secret level. Colonel Gould felt that this would be most acceptable. Security arrangements for the committee room will be handled by the committee staff in their normal fashion.

25X1 9. [ ] Met with Lt. Colonel G. W. Pickell, Chief of the Personnel Actions Branch, OSAPIL, and later with Major General F. W. Boye, Jr., Chief of Legislative Liaison, regarding correspondence between the Department, Senator Dirksen, and a [ ]

25X1 [ ] No further problems are anticipated by Army on this matter and from his point of view, correspondence with Senator Dirksen and the individual has been closed out. Should the matter come up again, this office will be advised on an information basis.

25X1 10. [ ] I ascertained from OSAPIL that Chairman Rivers is expected back in the city late in the day and will be leaving some time this week end and not expected to return until after the first of the year.
